### Comfort and Privacy

Max Calma is truly a mobile workspace for comfort and privacy, and a modular system that offers top-level sound insulation.

# WE HAVE CREATED THE MOST COMFORTABLE AND PRIVATE SMALL WORKSPACES FOR YOU.

Max Calma creates a functional space for private calls, video conferences, touchdown teamwork, short time meetings, concentrated working or just resting. A sound-isolated workspace, Max Calma cuts down noise and reduces rush in open-plan offices, common spaces, hotels or terminals.
