REPLACING STRESS WITH
HARMONY & **PEACE**.

HUSH**HYBRID: NEW ALL-IN-ONE ACOUSTIC POD FOR HYBRID WORKING AND BETTER VIDEOCONFERENCING**

A new pod for a "new reality".
The new office work model already relies heavily on being hybrid,
with part of the week spent at home and the other days at the office.
HushHybrid was designed to meet these demands.
It provides comfort of working alone, especially while video conferencing
or on long tasks which demand focus and quiet.

MAX

HUSH**HYBRID** (THE WHY)

COMPACT
The small size and weight allow the hushHybrid pod to be set up and adapted to meet the current needs of any organization.

COMFORT OF USE
LED lights provide improved visibility. The USB ports and light controls improve the comfort of work, and the integrated seat provide comfortable convenience.

CUSTOMISED AS NEEDED
It is the best solution for long solitary work and video conferencing.
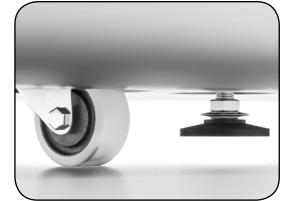

AGILE
HushHybrid can be customized whenever you need it. It is provided with castors for easy movement of the pod around the office space.

Thanks to the integrated castors, you can quickly and easily relocate the pod.
